## Item 4 Advisory Business

### Description of Services

Douglas W. Jones Associates Financial & Insurance Services, Inc. is a registered investment adviser primarily based in Lake Forest, California. We are organized as a corporation under the laws of the State of California. We have been providing investment advisory services since 1992. The majority of the equity in the firm is owned by the Jones Family Trust, dated March 21, 1997.

We provide comprehensive financial planning, supplying analysis and recommendations in the areas of business planning, children's education, retirement planning, life and health insurance, estate planning, tax planning, as well as investments. Our professional staff carefully reviews the questionnaire and related documents you submit at the onset of the relationship, and prepares a written report.

Implementation of our recommendations requires you to work closely with your attorney, accountant, insurance agent and stock-broker. However, implementation is entirely at your discretion.

A complete financial plan includes all of the following components, although you may choose to exclude one or more of these components at your discretion.

- Income Tax and Cash Flow Planning - This report includes a current income tax estimate, current cash flow estimate, and ideas for decreasing your income taxes and increasing your cash flow.
- Portfolio and Debt Management - This report includes a current balance sheet, a discussion of portfolio liquidity in light of your current commitment to liquid assets, tax oriented investments, and hard assets. You are presented with a written discussion of a portfolio mix (using generic categories) that would be in synchronization with your age, tax position, portfolio size, and attitude towards investments. Plus, an analysis on each item of income real estate is also included. This report includes before and after-tax cash flow, cash-on-cash return, after-tax return from appreciation, and total return on the investment. Finally, an analysis of your debt position includes several important debt ratios and a written discussion of your cash flow and liquidity level as it pertains to debt coverage.
- Retirement Planning - This report includes an evaluation of your retirement needs and an estimate of purchasing power at retirement at various inflation rates. A written discussion of management of wealth growth and ideas for improving wealth growth is also included. If you are a stockholder of a closely held corporation, you may request a review of your company's qualified plan in light of your retirement objectives.
- Estate Planning - This report includes a review and analysis of your objectives for conservation and distribution of your estate. The written discussion is supplemented with estate tax estimates and tax reduction alternatives.
- Personal Risk Management - This report analyzes your utilization of insurance to cover various risks. The review includes a review of life insurance needs based upon the survivor's capital needs, financial objectives of dependent education, and estate liquidity needs. Income needs in the event of disability are also analyzed, as are coverages for major medical, long term care, and property and casualty insurance.

If you wish to have only one area of your financial objectives addressed, specialized reports can be prepared at your request.

## **Wrap Fee Program(s)**

We do not sponsor nor utilize wrap fee programs.

## **Types of Investments**

We primarily offer advice on equity securities, corporate debt securities, certificates of deposit, municipal securities, mutual funds, variable annuities, variable life insurance, US Government securities, and interest in partnerships investing in real estate, oil and gas interests.

Additionally, we may advise you on any type of investment that we deem appropriate based on your stated goals and objectives. We may also provide advice on any type of investment held in your portfolio at the inception of our advisory relationship.

You may request that we refrain from investing in particular securities or certain types of securities. You must provide these restrictions to our firm in writing.

## **Assets Under Management**

The firm is not a money manager and does not engage in direct asset management; therefore, we have no assets under management to report.

## **Item 5 Fees and Compensation**

### **Financial Planning Fees**

- Financial Counselor Notebook - A \$250 to \$500 fee is charged for the notebook and the development of a balance sheet and cash flow statement, as part of a financial counseling session.
  - Comprehensive Financial Planning - The fee for a complete financial plan ranges from \$950 to \$5,000, depending upon the complexity and scope of the plan, your financial situation, and your objectives, which is paid at the time the financial planning contract agreement is signed. Follow-up reports or time spent working with your other advisers in the implementation of the plan is billed at \$125 per hour. Full annual reviews range from \$250 to \$3,000.
- Specialized Reports - If you wish to have only one area of your financial objectives addressed, specialized reports can be prepared at your request. The fees for specialized reports will be billed at the hourly rate of \$125 per hour. A minimum deposit of \$250 is required at the time the financial planning contract agreement is signed, with the difference collected or refunded when we deliver the report to you.

### **Termination**

You may terminate the financial planning contract agreement without penalty at any time within 5 business days of entering into the agreement, upon giving the firm written notice. After 5 business days, any work already completed will be billed at the rate of \$125 per hour with any balance refunded to you in the event of prepayment. In this case, copies of your working papers, if any, will be made available upon your request.

Our firm may terminate the financial planning contract agreement at our sole discretion by providing you written notice. Any fees paid by you in such situations will be returned in full. The financial planning contract agreement automatically terminates upon presentation of the report to you.

### **Compensation for the Sale of Securities or Other Investment Products**

- Securities: Persons providing investment advice on behalf of our firm are registered

representatives with J.W. Cole Financial, Inc. ("JWC"), a securities broker-dealer, and a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation. In their capacity as registered representatives, these persons will receive commission-based compensation in connection with the purchase and sale of securities, including 12b-1 fees for the sale of investment company products. Compensation earned by these persons in their capacities as registered representatives is separate and in addition to our advisory fees.

- **Advisory Services:** Persons providing investment advice on behalf of our firm are investment adviser representatives with J.W. Cole Advisors, Inc., a registered investment adviser. In their capacity as investment adviser representatives, these persons will receive fee-based compensation in connection with the provision of advisory services. Compensation earned by these persons in their capacities as investment adviser representatives of J.W. Cole Advisors, Inc. is separate and in addition to our firm's advisory fees. Due to this arrangement, our firm may receive referral fees when our clients are referred to third-party money managers for investment implementation. This referral fee arrangement does not cost our clients additional fees for their investment management services over what they would normally pay to the third-party money managers.
- **Insurance:** Persons providing investment advice on behalf of our firm are licensed as insurance agents. These persons will earn commission-based compensation for selling insurance products, including insurance products they sell to you. Insurance commissions earned by these persons are separate and in addition to our advisory fees.

The above practices presents a conflict of interest because persons providing investment advice on behalf of our firm who are registered representatives, investment adviser representatives, and insurance agents, have an incentive to recommend money managers and sell investment or insurance products to you for the purpose of generating commissions rather than solely based on your needs. You are under no obligation, contractually or otherwise, to utilize recommended third-party money manager by, or purchase securities and insurance products through, any person affiliated with our firm.

## **Item 6 Performance-Based Fees and Side-By-Side Management**

Our firm does not provide asset management services and does not accept performance-based fees or participate in side-by-side management.

## **Item 7 Types of Clients**

We offer our services to individuals, pension and profit sharing plans, trusts, estates, and charitable organizations.

## **Item 8 Methods of Analysis, Investment Strategies and Risk of Loss**

Our firm evaluates your current investments to determine whether fundamental features synchronize with your financial objectives. By nature, financial planning is long-term oriented. After making sure your short-term cash needs are satisfied, investment strategies are designed to help you achieve your goals for future financial security.

## **Risk of Loss**

Investing in securities involves risk of loss that you should be prepared to bear. We do not represent or guarantee that our services or methods of analysis can or will predict future results or insulate you from losses due to market corrections or declines. We cannot offer any guarantees or promises that your financial goals and objectives will be met. Past performance is in no way an indication of future performance.

## **Recommendation of Particular Types of Securities**

A proposed portfolio is designed to help you attain future financial security and the investments are stated in generic terms, i.e. "growth stocks", "municipal bonds", "corporate bonds", etc. We do not analyze individual securities.

## **Item 9 Disciplinary Information**

Neither our firm nor any of our management persons has any reportable disciplinary information.

## **Item 10 Other Financial Industry Activities and Affiliations**

Our firm is also a licensed insurance agency; therefore, persons providing investment advice on behalf of our firm are licensed as insurance agents. These persons will earn commission-based compensation for selling insurance products, including insurance products they sell to you. Additionally, Melissa Shaw Jones is the owner of Accent Insurance Brokerage, a separate, but affiliated entity through which she conducts insurance business. Insurance commissions earned by these persons are separate from our firm's advisory fees.

Persons providing investment advice on behalf of our firm are registered representatives with J.W. Cole Financial, Inc., a securities broker-dealer, and a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation. They are also investment adviser representatives of J.W. Cole Advisors, Inc., a registered investment adviser.

Please see the *Fees and Compensation* section in this brochure for more information on the compensation received through the sale of securities, other investment products, and/or insurance.

## **Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

### **Description of Our Code of Ethics**

We strive to comply with applicable laws and regulations governing our practices. Therefore, our Code of Ethics includes guidelines for professional standards of conduct for persons associated with our firm. Our goal is to protect your interests at all times and to demonstrate our commitment to our fiduciary duties of honesty, good faith, and fair dealing with you. All persons associated with our firm are expected to adhere strictly to these guidelines. Persons associated with our firm are also required to report any violations of our Code of Ethics. Additionally, we maintain and enforce written policies reasonably designed to prevent the misuse or dissemination of material, non-public information about you or your account holdings by persons associated with our firm.

Clients or prospective clients may obtain a copy of our Code of Ethics by contacting us at the telephone number on the cover page of this brochure.

## **Participation or Interest in Client Transactions**

Neither our firm nor any persons associated with our firm has any material financial interest in client transactions beyond the provision of services as disclosed in this brochure.

## **Personal Trading Practices**

Our firm or persons associated with our firm may buy or sell the same securities that we recommend to you or securities in which you are already invested. A conflict of interest exists in such cases because we have the ability to trade ahead of you and potentially receive more favorable prices than you will receive. To eliminate this conflict of interest, it is our policy that neither our firm nor persons associated with our firm shall have priority over your account in the purchase or sale of securities.

Our firm does not execute transactions for client investment accounts. Personal trading practices of the registered representatives of J.W. Cole Financial, Inc. and investment adviser representatives of J.W. Cole Advisors, Inc. ("JWC"), are further governed by JWC's policies and procedures.

## **Item 12 Brokerage Practices**

In the event you request assistance in the implementation of our financial planning recommendations, we will do so in whole or in part through J.W. Cole Financial, Inc. ("JWC") for brokerage recommendations or through J.W. Cole Advisors, Inc. for third-party money manager recommendations.

Persons providing investment advice on behalf of our firm who are registered representatives of JWC are subject to applicable rules that restrict them from conducting securities transactions away from JWC unless JWC provides the representative with written authorization to do so. Therefore, these individuals are generally limited to conducting securities transactions through JWC.

It may be the case that JWC charges higher transactions costs and/or custodial fees than another broker charges for the same types of services. If transactions are executed through JWC, these individuals (in their separate capacities as registered representatives of JWC) may earn commission-based compensation as result of placing the recommended securities transactions through JWC. This practice presents a conflict of interest because these registered representatives have an incentive to effect securities transactions for the purpose of generating commissions rather than solely based on your needs. You may utilize the broker-dealer of your choice and have no obligation to purchase or sell securities through such broker as, we recommend. However, if you do not use JWC, we may not be able to accept your account. Please see the *Fees and Compensation* section in this brochure for more information on the compensation received by registered representatives who are affiliated with our firm.

## **Item 13 Review of Accounts**

We will review your investment account(s) or your financial plan only at your request. Otherwise, we do not review or monitor your investment account(s), review your financial plan, or review statements you receive from your third-party money manager or account custodian. At your request, we may meet with you and/or your third-party money manager(s) to discuss asset allocation, but we will not make recommendations regarding specific investments or provide any regular written reports to you unless otherwise engaged to do so.

We encourage reviews on an annual or bi-annual basis. All reviews shall be handled by Douglas Jones and/or Melissa Shaw Jones.

## **Item 14 Client Referrals and Other Compensation**

We do not receive any compensation from any third party in connection with providing investment advice to you nor do we compensate any individual or firm for client referrals.

As disclosed under the *Fees and Compensation* section in this brochure, persons providing investment advice on behalf of our firm are licensed insurance agents, and are both investment adviser representatives of J.W. Cole Advisors, Inc., and registered representatives with J.W. Cole Financial, Inc. ("JWC"), a securities broker-dealer, and member FINRA/SIPC. For information on the conflicts of interest this presents, and how we address these conflicts, please refer to the *Fees and Compensation* section.

## **Item 15 Custody**

Our firm does not hold custody of any of your funds and/or securities. Your funds and securities will be held by the bank, broker-dealer, or other independent, qualified custodian selected by you for implementation of your financial planning objectives. If you have a question regarding your account statement or if you did not receive a statement from your custodian, please contact your custodian directly.

## **Item 16 Investment Discretion**

Our firm does not offer asset management services; therefore, we do not accept discretionary or trading authority over client accounts.

## **Item 17 Voting Client Securities**

### **Proxy Voting**

We will not vote proxies on behalf of your advisory accounts.

## **Item 18 Financial Information**

Our firm does not have any financial condition or impairment that would prevent us from meeting our contractual commitments to you. We do not take physical custody of client funds or securities, or serve as trustee or signatory for client accounts, and, we do not require the prepayment of more than \$500 in fees six or more months in advance nor have we filed a bankruptcy petition at any time in the past ten years. Therefore, we are not required to include a financial statement with this brochure.

## **Item 19 Requirements for State-Registered Advisers**

Our firm is not actively engaged in any business other than financial planning advisory services.

Neither our firm, nor any persons associated with our firm are compensated for advisory services with performance-based fees. Please refer to the "Performance-Based Fees and Side-By-Side Management" section above for additional information on this topic.
